POSITION: Superintendent

DISTRICT: Flint Community Schools, Flint, Mich.

 @SuptTawwab @FlintSchools

Rachel Woolf for Education Week

**“You need some type of reminder or something saying,
‘Let’s keep fighting the good fight for these kids.’ ”**

LESSONS FROM A LEADER

>> Stay Calm

How leaders respond to a crisis determines how others will respond. Under pressure, allow time to make the right decisions.

>> Keep the Focus On Teaching

Leaders must continue to invest in teachers and classrooms even in a crisis.

That’s where what we do for students matters most.

>> Set Clear Goals

Relentlessly pursue the priorities you’ve set with your team even amid challenging circumstances you don’t expect.
